Alexander Pichugin (Germanic, Russian and East European Languages and Literatures, SAS) to participate in professional conferences.

We understand that the administration is requiring a report for the awardees on how the funding was used in relation to teaching and hope that we hear from both awardees and those who received rejections so we can assess the effectiveness of the distribution of the Fund. We hope to negotiate an even larger fund in the future. In the meantime, plan to apply for an award in November 2013.
