

# **Rutgers has the money. Fair Contracts Now!**

**Faculty, Students & Staff Indoor Rally  
Tues., March 10 @ 5PM  
RU-Newark, Robeson Center, Essex Rm.**

**“Great job on fundraising that \$1.037 billion, Bob.”  
“Thanks, Chris! And that’s on top of the \$700 mil we already  
had!”**

Enough is enough. Pres. Barchi and Rutgers’ management have been pleading poverty in our union contract negotiations, while at the same time trumpeting their fundraising success and strong financial position to creditors and donors. And they’re insisting that any new labor contracts contain the infamous “subject to” clause that the administration used to unilaterally freeze our wages.
