

Rally and March into Old Queens!

Tues., Feb. 24 1:30 PM
Old Queens, College Avenue Campus

Enough is enough. Faculty and grad student workers will not accept a new contract with a "subject to" clause or the insultingly low raises from Pres. Barchi and the Rutgers administration.

Join your colleagues for a protest inside Old Queens to win a strong new contract for Rutgers faculty and grad student employees. We haven't come this far to accept a contract that allows the administration to nullify any raises we earn "subject to" their whims.

Students and staff welcome!
