

Postdoctoral Employees: Join Rutgers AAUP-AFT

Joining the Rutgers AAUP-AFT means you gain a voice in the only professional organization at Rutgers that has the power and authority to negotiate postdoc terms and conditions of employment—and defend them. Your voice counts!

Membership dues are 0.75% of salary and are deducted from the biweekly paycheck, after the membership form is signed. Until you join, a nonmember representation fee will be deducted from the biweekly paycheck per New Jersey labor law. This representation fee is 85% of the dues amount; thus, it is a small increase when you join. This chart helps you see the difference (with two sample annual salaries shown) when you switch to full membership. Return your signed member form via campus or regular mail to 11 Stone Street in New Brunswick, NJ 08901, scan to PDF and email to aaup@rutgersaaup.org or fax 732-964-1032.
